As mentioned in our last faculty meeting, we would like to create a reward system for students who are doing good things in the school. We are going to be starting a contest that all students are eligible for. Your job is to reward a ticket to any student who demonstrates an act of kindness or responsibility. Please join us in encouraging students to be kind and responsible members of the school and make this a positive place to be... an especially important thing to strive for these last couple of weeks of the year.

From there, it is the student's responsibility to place their tickets into a raffle jug in the cafeteria during their lunch period. A drawing will be made at the end of the year and prizes will be rewarded. The more tickets students are able to put in the jug, the more chances they will have to win a prize.

We already have the possibility of Yankee's tickets, free massages, movie tickets and more. Please help us get any other prizes you think the students would enjoy receiving. If you are able to help us out with prizes, please talk to Pat Mulroy or Marygrace Anderson.

Thank you and have a great last couple weeks of school!

Sure I can help you out with prizes...
